

Project 2

Wheel Assembly

In this project, you will create components for a Wheel assembly and then assemble them. You need to create all the components as separate part files. The views and dimensions of the components are shown in Figures P2-2 through P2-5.

You can also download the model files for your reference from www.cadcim.com. To download the files, use the following path: *Textbooks > CAD/CAM > Solid Edge > Solid Edge 2022 for Designers > Projects for Free Download > Project 2*
